MIKI YOSHIKAWA

Ushio Igarashi

A second-year at Suzaku High School. He is the loyal minion of the cunning Odagiri. He was Yamada's friend in junior high.

Nene Odagiri

A second-year at Suzaku High School. She shares the position of Student Council vice-president with Miyamura. She is known as the "Charm Witch" and makes the person whom she kisses fall in love with her.

Noa Takigawa

A first-year at Suzaku High School. A little rascal who is infatuated with Yamada. She is known as the "Retrocognition Witch" and by way of dreams can see the past trauma of whomever she kisses.

Maria Sarushima

A second-year at Suzaku High School. She's a kissing-fiend who used to live abroad. She is known as the "Prediction Witch" and can see the future from the perspective of the person whom she kisses.

Meiko Otsuka

A second-year at Suzaku High School and member of the Manga Studies Club. She is known as the "Thought Witch" and can perform telepathic communication with the person whom she kisses.

Mikoto Asuka

A third-year at Suzaku High School and vice president of the Student Council. She loves the Student Council president and is super sadistic! She used to be the "Invisible Witch" but had her power erased by Tamaki.

Haruma Yamazaki

A third-year at Suzaku High School and president of the Student Council. He's a crafty guy who holds many secrets. And he has a dirty mind.

Shinichi Tamaki

A second-year at Suzaku High School. A guy with an attitude who's aiming to be the next Student Council president. He's known as the "Capture Guy" and steals the power of the witch whom he kisses. He currently possesses the ability to turn invisible.

Yamada-kun

AND THE

Seven Witches

Cast of Characters

Urara Shiraishi

A second-year at Suzaku High School and president of the Supernatural Studies Club. She's known as the "Switch Witch" and switches bodies with the person whom she kisses. Her smile, which she shows from time to time, is so cute that it should be illegal.

Ryu Yamada

A second-year at Suzaku High School and part of the Supernatural Studies Club. He's loathed by his schoolmates for some reason. He's known as the "Copy Guy" and possesses the ability to copy the power of whichever witch he kisses.

Kentaro Tsubaki

A second-year at Suzaku High School and part of the Supernatural Studies Club. He is both scholarly and a good fighter, and he used to live abroad. However, he's also an odd fellow who fries up some tempura when he starts to feel lonely.

Miyabi Ito

A second-year at Suzaku High School and part of the Supernatural Studies Club. She's the only member of the club who's into the occult. She's surprisingly popular with boys.

Toranosuke Miyamura

A second-year at Suzaku High School. He's the vice-president of the Supernatural Studies Club and Student Council. The polar opposite of Yamada, he's the most popular kid in school. He's very curious and sharp, but his perverted streak is a problem.

Rika Saionji

The Seventh Witch Power: ????

- Third-year student at Suzaku High School
- Appears to be taking orders from the Student Council President
- She erases "memories about the witches" from those who know the identity of the seven witches.

In my case, her power doesn't work on me, so she erased my friends' memories (of me) instead!

- She doesn't wear panties! For real!

★ Common rules for the witch powers that I've figured out!

- One person, one power!
- If a person under a witch's spell is kissed by another witch, the person being kissed will not be affected.
- A witch cannot put another witch under their spell.
- Tamaki and I have powers, but we don't count as witches.
- There are always seven witches.

When a witch leaves the school and loses her power, a new witch is born in her place.

Thanks for waiting, everyone! Let's begin the Q&A session!

To all of you who were looking forward to this in the last volume and were disappointed to find that we couldn't include it, sorry. This time we've increased our volume to make up for things!

All right! Continuing on from our session with Urara before, we have another guest with us today!

It's Suzaku High's very own all-powerful idiot, Yamada!

DA-DUUN!!!

Argh! Hey, what the hell! Why're you calling me out here now?!

Hungh?!!

Cough Cough! So much dust... Hey! You can't just kick down the door like that!

Well, you guys called me out here last time and no one was around...

Do you guys even know how long I was waiting for this?!

You...were really looking forward to this, huh.

ACK!

Okay, okay. Let's just get to it then.

Q1. What kind of animal is the full-body pillow in your room,
Yamada-kun?

Nagasaki Prefecture H.N. Suguuru-san

I was expecting that question! Nah, that's no animal.

It's the Yakisoba-pan fairy, man!

How do you not know that?! **It's Sobasshi!**

No idea what that is.

Next question!

Hey! Wait! Whaaa?!

Q2. What's your birthday, sign, and blood type?

What are everybody else's too?

Hokkaido H.N. Rina-san

I'm a Virgo born on 8/31 and I'm type-O!

Oh?! That's the end of summer!

Yup!! That's why every year, I face the fall semester tormented by the sadness of summer's end, the loneliness of having no one wish me happy birthday, and the anxiety that comes with not having my summer homework done...

Those are all your fault, Yamada... But, I do feel a little bad for you!

By the way, I'm a Leo born on 7/28 and I'm type-AB.

I'm a Gemini born on 6/6 and I'm type-B.

And I know for a fact that Urara-chan is a Capricorn born on 12/24 and she's type-A, while Tsubaki is a Scorpio born on 11/5 and a type-A.

Wow, you sure do know a lot!

Hehehe... Yeah, I guess I know a little about this and that!

Uh...there's something suspicious about this girl!

Q3. In volume 7, did Yamada-kun make the Yakisoba-pan

for the cultural festival? If so, could it be that Yamada-kun has domestic skills?

Tochigi Prefecture H.N. Hoshishiho-san

Not at all! We all split the work amongst ourselves to make those! All Yamada did was watch from the sidelines and butt in with a word or two now and then.

He didn't do anything else!

What the hell, Yamada? Just who do you think you are?

S-shut up!

I'm totally an **"expert eater"**!!

I have more than enough domestic-skills!!

Okay, next question!

Hey! Just wait a minute!!

Q4. Why is your sister so cute?

Tokyo H.N. Kenken-san

That's because they picked Yamada up by the river.

All right, next!!

Whaaa?! I haven't even given an answer, y'know!

We *do* look alike. It's like, y'know... **RIGHT?!**

Q5. Why does your house have souvenirs from all over Japan in it, Yamada-kun?

Nagano Prefecture H.N. Suguuru-san

Wow! You guys were really paying attention, huh. Those are things my mom buys when she goes on group trips with her housewife friends! I guess it's what you call a hobby or whatever, but I wish she would bring back food with her!

Oh yeah! So I guess that explains why Yamada's house has a real **middle-aged lady** vibe to it.

Ah, I see. So that's why I get sleepy there?

Miyamura, you always get way too comfy at my house!!

And with that, our session comes to an end today! How was our special Yamada guest session for everyone?

I wonder! **I didn't like it at all!**

We didn't ask for your thoughts, man.

Anyway, I'd like to make an announcement here!

Since we've received so many letters requesting it, next time, we'll be making your request into a reality!

We're opening up our brand-spanking new
"Illustration Corner"!!!

Of course, we'll still continue our Q&A column, but since we may only have a few illustrations to show next time, send us your illustrations of us!

The address is the same as the one for our Q&A column, which you'll find below!

Translation Notes

Sobasshi, page 117

As Yamada explains in his Q&A, Sobasshi is the *yakisoba-pan* (fried chow-mein-style noodles in a bun) fairy, but this is actually a parody of another well-known character named Funassyi (pronounced *foo-na-shee*). Funassyi is a pear-fairy and the unofficial mascot of Funabashi, Chiba Prefecture, an area known for its quality pears. The character exploded in popularity shortly after its debut and has been featured in everything from comics to TV shows, where it is represented in *kigurumi* form (i.e. someone in a costume).
